

WOMEN IN LEADERSHIP LATIN AMERICA

Welcome to WILL, by IE University

Women In Leadership Latin America (**WILL**) is a community of thriving IE alumni and students united by their motivation to foster the professional development of Latin women.

Our mission is to empower women by supporting their growth into leadership positions.

WILL offers you the possibility to participate in events and initiatives focused on women's leadership, as well as the opportunity to be part of a movement that promotes diversity by showcasing the achievements of our outstanding members.

By being part of **WILL**, your professional and academic development will serve as an inspiration to motivate other women to boost their careers as entrepreneurs or corporate leaders.

Join the conversation, connect with other IE alumni and keep up with upcoming events & relevant news at the **WILL** LinkedIn Page.
