IE Regatta 2026

We closed summer on a high note!

- 150+ alumni and students from IE and other leading business schools
- A long weekend in Cascais of sailing, connection and competition (September 17th to 20th)
- Plenty of memorable moments, on and off the water

And IE won the Regatta! 🚤

Your Turn to Sail

Missed the IE Regatta?

Many of you were just starting your programs in mid-September. You'll have more chances in the future, but we didn't want to wait a whole year to welcome you into our sailing family.

This year, for the first time, we're recreating the regatta experience on a slightly smaller scale, and exclusively for you, current students.

A regatta just for you.

Why Lisbon?

October 12th is a public holiday in Spain, which makes it the perfect long weekend getaway.

A bit of everything

Sightseeing, sailing, great food and lively nightlife

Easy to reach

By plane, car, van or bus

Places to stay

Hotels, high-quality hostels and short-stay apartments

Your Race Course

The Tagus River, right next to the 25 de Abril Bridge. Lisbon looks even better from the water.

The Students' Regatta

No experience needed. It could be your first time!

Same fleet of Grand Surprise boats as at the IE Regatta.

Teams of 7, or sign up solo and we'll find you a crew.
Pick a team color!

A professional skipper and instructor on every boat,
so you learn and have fun, always safely.

Right next to the 25 de Abril Bridge, the "cousin" of
San Francisco's Golden Gate.

Learn by doing. Life is better on a boat.
